< S-ERGO 115 >

◆ *S-Ergo 115* is a lightweight aircraft grade aluminium wheelchair with *Karma's* patented *S-Ergo* seating system, that provides efficient pressure relief by spreading weight over a greater area, at the same time the *S-Ergo* provides stabilization and reduced sliding. The lightweight frame is built-up with a system of double cross braces which increase the wheelchair's strength and durability. *S-Ergo 115* folds easily and is extremely compact after folding, which makes it easy for storing and traveling.
